### **TeamMates**

Glenwood Community School District offers school-based mentoring services for our youth, grades 3-12. We need volunteers to serve as mentors! Mentoring takes place at school and is no more than 1 hour per week.

A mentor provides a young person with support, guidance and friendship. Mentors are good listeners, people who care, people who want to help young people bring out strengths that are already there. Things that may seem easy or straightforward to you are often mysterious to young people. That's why it can be easier than you think to be a mentor and make a difference in a young person's life.

If you are interested in becoming a mentor or you would like your child to have a mentor, please contact Sandra Dollen at 712-527-4897 x 4332

Coordinator – Angie Thomas

**KID'S PLACE** is a non-profit enterprise of the Glenwood Community School District providing licensed day-care to children in our community. It is located on the campus of the Glenwood Resource Center in Building 103 Central. Operations are governed by the Board of Education and a Parent Advisory Board. We offer a program which is based on a sound understanding of the needs of children who are at different stages of development. These include the social, emotional, intellectual, and physical needs that are being met by a warm, trusting, competent, responsible staff. All staff are certified in first aid and CPR.

**The three programs available at Kids Place, are described below:**

### **Infants**

Kid's Place provides nurturing quality care for infants from 6 weeks to age 2. The schedules are based on the infant's individual needs.

### **Tykes**

The Tykes program offers recreational day-care to children who are 2-5 years of age in a structured environment. The schedule allows for a variety of activities; and the flexibility to adapt to individual needs. The children discover and learn as they experiment in centers, and small and large group activities.

### **Kid Care**

Kid Care provides daycare for school age children before and after school, early dismissals, vacation days, and summer vacations. Kid Care is a recreational extension of the school day.

## **GENERAL INFORMATION**

### **Activity Tickets**

All students may purchase activity tickets for \$40.00 at their school's office. These tickets are good for the entire school year. **Students will be required to show their activity passes prior to being admitted to school sponsored athletic events.**

### **Damage of School Property**

All students are expected to use school property in a respectful and responsible manner. Parents are encouraged to support such expectations. Students who are responsible for damaging or destroying school property will be assessed the replacement cost of the property damaged or destroyed.

### **Student Insurance**

THE GLENWOOD COMMUNITY SCHOOL DISTRICT **DOES NOT** PROVIDE ANY TYPE OF MEDICAL INSURANCE COVERAGE FOR STUDENTS WHO ARE INJURED WHILE ON SCHOOL PROPERTY. If parents/guardians want medical insurance for their child, it is their responsibility to purchase such insurance. Parents/guardians may purchase medical insurance from any agent they choose. The Glenwood Community School District's only role in making insurance available is to distribute application forms for supplemental insurance.

Parents who need insurance for their children are also encouraged to investigate the HAWK-I Insurance program. Information is available at each building site, through the school nurses or school counselors.

### **1:1 Initiative**

Glenwood Community School District is excited to be able to offer our students a tablet / chromebook device for use at school or home. The 1:1 Initiative provides mobile, wireless technology to all of our students to enhance our instructional delivery.

Students are responsible at all times for the chromebook, whether at school or home. The parent or guardian will be responsible for compensating the school district for any losses, costs or damages to the chromebook. If you wish to have insurance on your child's tablet or chromebook you may do so by contacting your insurance agent. Parents can add the chromebook to their homeowners or renters coverage under the inland marine section of the policy. The deductible on the chromebook can be separate and lower from the deductible on the homeowners or renters policy. The premium on the policy is minimal compared to having to replace a chromebook (up to \$249).

Each classroom at the High School and Middle School will have three Chromebooks available for students to use during class if their Chromebook has been damaged and turned in for repair. These classroom Chromebooks must stay in the assigned classroom at all times and under no circumstances can they be taken home.

Chromebooks for 6th-12th grade students will be handed out on the first day of school. Students in 7th-12th grade will be allowed to take the chromebooks home with them at the end of each day. We recommend charging the chromebooks each night and bringing them back to school the next morning. If you do not want your child to take his/her chromebook home each night, please notify the school office. Under traditional school operations, 6th grade students will have access to their Chromebook only while in the Middle School building. The students will not be allowed to remove them from the building. However, should we need to transition to a hybrid school schedule or a required continuous learning model, students will be allowed to take the device home. This also means that families become responsible for any damages to the device.

### **Suggested Chromebook Guidelines**

- Children often have limited self-awareness. They will perform a task on their computer or tablet with minimal breaks causing focusing and eye strain problems. A child viewing a screen with large amounts of glare often will not think about changing the surroundings or arrangement to achieve more comfortable viewing.
- Breaks should be built into any lesson plan involving Chromebook. Experts suggest that regular breaks relieve muscle tension. During the one minute break, the student should look at least 20 feet away (across the room or out a window) to relax the eye focusing and eye alignment muscles. These guidelines should be incorporated to any near activity, including reading, hand held games and cell phone use.

### **Age Recommendations**

- Pre-K – 2<sup>nd</sup> grade: One minute break every 10 minutes
- 3<sup>rd</sup>-5<sup>th</sup> grade: One minute break every 15 minutes

- 6<sup>th</sup> grade and up: One break every 20 minutes
- Students that do not learn to take regular breaks are at risk of developing environmentally induced near-sightedness.
- The distance between the child and the screen should be the length of the child's forearm to reduce eyestrain. The screen should be a few inches (15 degrees) below the child's eye line. Adjust the chair so the arms are parallel to the desk surface with the feet resting comfortably on the floor. The head should be balanced on the neck with no tilt forward or backward with his/her back straight and shoulders back.
- It is important to be aware of signs and symptoms of vision problems such as red eyes, frequent rubbing of the eyes, head turns, unusual posture or complaints of blur, double vision or tired eyes. If the child avoids Chromebook/Nexus tablet work or school work, a vision problem may be suspected and a comprehensive eye examination is needed.

Please visit [www.youngvisioncare.com](http://www.youngvisioncare.com) for additional information.

### **Student Searches**

School officials may periodically inspect all or a randomly selected number of lockers without prior notice. Any inspection of lockers shall only occur either in the presence of the student(s) whose lockers are being inspected or in the presence of at least one other person. A locker inspection may be accomplished by using such methods including, but not limited to, a visual search of lockers by school officials or the use by school officials or others hired at their direction, or a drug sniffing animal.

### **Parent Involvement**

The Glenwood Community School District strives to provide an educational program designed to meet the needs, interests, and abilities of all students. To aid in the development of such a program we recognize that parental input is an important element in assisting the administration and staff as they plan and evaluate existing and future educational activities.

Opportunities for organized parent involvement are encouraged by the Glenwood Community School District. For information regarding parent involvement opportunities contact the specific school office or the Superintendent, Mr. Devin Embray at 527-9034.

### **Bad Weather - School Closings**

Authorized officials **do not** notify any other news media.

On occasion, because of busy telephone lines, it may be impossible for the school district to reach some of the above radio or television stations in a timely fashion.

## **SCHOOL MESSENGER**

School Messenger is a quick alert messaging service that the Glenwood Community School District uses for emergencies, weather-related closures/delays, attendance and general communications such as important school announcements and e-news. School Messenger enhances the district's ability to communicate regularly with parents and staff in multiple languages using phone calls and emails.

If your phone and email information is correct in PowerSchool, you will automatically be signed up to receive phone / email messages from School Messenger. If you have changes in your phone numbers or emails, please contact your student's building to have the information changed in PowerSchool. These corrections will automatically be changed in School Messenger.

If you would like to have any phone numbers removed from School Messenger notifications, please notify your student's building.

## **Sportsmanship**

The Glenwood Board of Education, administration, coaches and faculty appreciate the sportsmanship that has been displayed by the fans, students, and community in the past years. It is very important that this continues throughout the 2021-2022 school year.

## **Transportation Information**

It is the goal of the Transportation Department to provide safe and efficient service to all students. In order to achieve our goal, parent support and student cooperation is encouraged and appreciated. Additional information regarding the transportation department may be found on the school district's website – [www.glenwoodschoools.org](http://www.glenwoodschoools.org). Questions or concerns regarding school transportation, which are not addressed on the website, should be directed to Krista Ellis, Transportation Administrative Assistant ([ellisk@glenwoodschoools.org](mailto:ellisk@glenwoodschoools.org)), Carla Wiese, Operations Administrative Assistant ([wiesec@glenwoodschoools.org](mailto:wiesec@glenwoodschoools.org)), or Frank Bachman, Director of Operations ([bachmanf@glenwoodschoools.org](mailto:bachmanf@glenwoodschoools.org)), or by calling 527-4116.

Please call or email Krista Ellis or Carla Wiese with any transportation changes. During the school year, any changes to scheduled transportation **must be called in to both the Attendance Center and the Transportation Office.**

### **Morning and Afternoon Transportation Between Attendance Centers**

Students can shuttle between any school in the morning provided they are at an attendance center no later than 7:45 a.m. If your student needs morning or afternoon shuttle service please register the student with the transportation department and they will be assigned a designated bus.

Shuttle service will include: YMCA and Kid's Place. Kid's Place and YMCA students from Northeast and West will be loaded onto assigned buses and will be dropped off at Kid's Place or the YMCA prior to the buses running their regular route.

Shuttle buses will be picking up and dropping off students in the front of Northeast, West and Middle School. High School students will be picked up and dropped off in the back of the school.

The schedule will be as follows for shuttle purposes:

- **NE to West**                      **3:00– 3:10 p.m.**
- **West to NE**                      **3:10 – 3:20 p.m.**
- **NE to MS**                        **3:20 – 3:25 p.m.**
- **Transfer Point (MS) to West (Bus #22)**                      **3:40 p.m.**
- **Transfer Point (MS) to HS (Bus #1)**                        **3:40-3:45 p.m.**

Please call the Transportation Department at 527- 4116 for more details.

### **PM Transfer Point**

In the afternoons, each school has a group of transfer buses assigned to them. All bus route students will take a transfer bus to the “transfer point”, which is located at the Middle School front parking lot. This does not include Middle School students, as they will be dismissed and taken by associates to the transfer lot once all buses have arrived and are parked safely. Students will then transfer to their “home” buses. Once all students have made a transfer, the buses will depart. School personnel will be on-site during the transfer to assist all riders to their designated buses. **Parents will not be allowed to pick up any student from the transfer point.** Once a student is on a bus, they will remain on a bus. All student pickup should be done at the school they attend.

In addition, Kids’s Place and YMCA students from the Northeast and West will be loaded onto assigned buses and dropped off at Kid’s Place or the YMCA prior to the buses going to the Transfer Point.

\*All students being picked up at the Middle School by parents will be picked up in the north parking lot. This includes those brought to the Middle School from other attendance centers for shuttling purposes in the afternoon.

### **Key Fobs**

The Transportation Department will assign a key fob to all students who are registered and utilize our buses for transportation services, including anyone who utilizes the shuttle services between attendance centers, to be scanned as they load and exit the bus.

### **Bus Behavior**

The bus ride is an extension of the classroom and students are expected to conduct themselves accordingly at all times when using school transportation. Failure to do so can jeopardize the safety of everyone on the bus, and can result in loss of transportation privileges. We encourage you to review the school bus “Safety Policy and Procedures” which can be found on the school website at [www.glenwoodschoools.org](http://www.glenwoodschoools.org) and clicking on the Transportation icon.

The Asbestos Hazard Emergency Response Act (AHERA) is part of federal regulations which require school districts to inspect each school building for asbestos-containing building materials and to maintain an asbestos management plan.

The first asbestos management plan for the district was completed and filed with the state in October of 1988. Required three-year re-inspections have been conducted since then by the district's asbestos consultant. Copies of the management plan are located in the main office of each school building. The most recent inspection of all buildings, records, and management plans was conducted June 11, 2019 and was found to be in compliance with all EPA and AHERA guidelines.

The Middle School, Northeast Elementary, and Building 103 contain traces of asbestos and are maintained according to all federal and state guidelines.

In keeping with AHERA regulations, you are being notified of this information. If you have questions concerning asbestos in our school district, please feel free to contact Frank Bachman at 527-5661.

### **Homeless Children and Youth**

The McKinney Vento Act protects the educational rights of students experiencing homelessness.

Student in homeless situations have the right to:

Go to school, no matter where they live or how long they have lived there.

Get help enrolling and succeeding in school from the school district's liaison for the Education of Homeless Children and Youth. (Devin Embray, Superintendent of schools – 712-527-9034).

Stay in the school they went to before becoming homeless or whatever school they were enrolled in last (called "school of origin"), even if they moved out of the district, if that is feasible. Students can stay in their school of origin the entire time they are homeless. Students can also finish the school year in their school if they find permanent housing during the year.

Get transportation to their school of origin, provided or arranged by the school district, or a joint effort among school districts.

Go to the local school in the area where they are living. The school must immediately let students enroll, attend classes, and participate fully in school activities, even if students do not have a parent or guardian with them or documents such as proof of residency, immunization records, other medical records, school records, or other documents. Once students are enrolled, the school must get records from the last school, and the liaison must help students get immunizations or immunization and medical records.

Get a written explanation from the school district if the district refuses to send students to the school they choose, and have the liaison settle such disagreements.

Have disagreements settled quickly and go to the school they choose while disagreements are settled.

Get preschool services, free or reduced school meals, services for English language learners, special education, Title I services, vocational/technical education, gifted and talented services, and before- and after- school care, as needed.

Go to school with children who are not homeless. Students cannot be separated from the regular school program because they are homeless.

Get information and referrals from liaisons, including information about all available educational programs and how parents can participate, public notice about their rights, and referrals to health, mental health, dental and other services.

Have the opportunity to meet the same high academic achievement standards as all students.

If a school does not follow the McKinney-Vento Act's requirements, you should:

Call your local homeless liaison or State Coordinator for the Education of Homeless Children and Youth.

Call the U.S. Department of Education's Education of Homeless Children and Youth Program at 202-401-0113.

Call for legal assistance. To find legal aid groups in your area, check [www.lsc.gov/fundprog.htm](http://www.lsc.gov/fundprog.htm) or [www.ptla.org/links.htm#services](http://www.ptla.org/links.htm#services), or call your state bar association.

## Welcome to Glenwood Community Schools 2021-2022 Food Service Programs

Glenwood Community School District is offering no cost Breakfast and Lunch to all students in school year 2021-2022 through the Seamless Summer Option Meal Program. GCSD provides a computerized system that allows participants to deposit money into a Food Service account from which they may draw to purchase milk and ala carte items using a Personal Identification Number (PIN). The Food Service Program will issue each student a PIN number to use when purchasing Milk and Ala Carte food items. Please deposit money into your student's account the first day of school and when the account is low. You may also deposit money on the EZschoolPay.com website. Money left in accounts at the end of the year will stay in your student's account unless we receive a written request for a refund from the parent or guardian.

We now offer [EZSchoolPay.com](http://EZSchoolPay.com) so parents can monitor their child's meal account balance and transactions online and set up a payment reminder email for **FREE**. Also, parents may make pre-payments into their child's account anytime using Visa or MasterCard (credit or debit). The convenience fee of \$3.00 is charged by the school district. The fee is designed to cover or offset the normal costs of processing credit card transactions and other costs associated with maintaining a credit card merchant account. If you wish to use this service, you may sign up at [www.EZschoolPay.com](http://www.EZschoolPay.com).

The Food Service Clerk at your child's school or [EZSchoolPay.com](http://EZSchoolPay.com) can provide you with a printout of your student's account. It will show when money was deposited, when money was deducted, and what was purchased from the account. Parents need to notify the clerk if they would like to "block" a student from receiving extra milk or ala carte items, or put spending limits on their account.

The Free and Reduced price Iowa Eligibility Application may be needed by your school for other programs such as Title 1, P-EBT and discounted school fees such as Summer School, Drivers Education, AP & PSAT testing. An Iowa Eligibility Application (Free and Reduced) form must be filled out (renewed) each school year. You can fill out an application online at [www.EZmealapp.com](http://www.EZmealapp.com) or pick up a printed copy at any building office.

All students may purchase milk for \$.40 to go with a Lunch brought from home, but this milk is **not** part of the Seamless Summer option meals program. If your student wants the free milk that comes with the Free Seamless Summer Option meal they must take the whole meal. There must be money in the account to purchase milk for a lunch brought from home. We ask that parents not send bottled/canned soda with lunch brought from home.

All Food Service forms are located on the Glenwood Schools Website [www.glenwoodschoools.org](http://www.glenwoodschoools.org)

- 2. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE OR REDUCED PRICE MEALS?** No, but please read the letter carefully and follow the instructions. If any children in your household were missing from your notification, contact: GCSD Food Service Office, 901 North Vine St. Glenwood IA 51534, 712-527-5029 or email: [foodservice@glenwoodschoools.org](mailto:foodservice@glenwoodschoools.org) immediately as eligibility for free or reduced price meals is extended to all school age children in a household. If you did not receive a letter from the school, but received a Free Lunch Notice from DHS, submit this letter to your children's school. You may add any students living in your household who are not listed on the letter. Also, if someone in your household receives food assistance and you did not receive either of these letters, you may complete an application listing the case number as this will qualify all school age children in your household for free meals. If you were informed that your children will get reduced price meals automatically, see the income guidelines above and if you feel you would qualify for free meal benefits, complete an application for free and reduced price meals.
- 3. CAN I APPLY ONLINE?** Yes, if your school offers this option. You are encouraged to complete an online application instead of a paper application if you are able. The online application has the same requirements and will ask you for the same information as the paper application. Visit [EZMealapp.com](http://EZMealapp.com) to begin or to learn more about the online application process. Contact: GCSD Food Service Office, 901 North Vine St. Glenwood IA 51534, 712-527-5029 or email: [foodservice@glenwoodschoools.org](mailto:foodservice@glenwoodschoools.org) if you have any questions about the online application process.
- 4. WHAT IF WE HAVE FOSTER CHILDREN?** Households with foster and non-foster children may choose to include the foster child as a household member, as this may help other children in the household qualify for benefits. If the foster family is not eligible for free or reduced price meal benefits, that does not prevent a foster child from receiving free meal benefits.
- 5. HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS, MIGRANT, OR RUNAWAY?** Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and haven't been told your children will get free meals, please contact: GCSD Food Service Office, 901 North Vine St. Glenwood IA 51534, 712-527-5029 or email: [foodservice@glenwoodschoools.org](mailto:foodservice@glenwoodschoools.org).

7. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE? Yes.  
Your child's application is only good for that school year and for the first few days of this school year, through **October 5<sup>th</sup> 2021**. You must send in a new application unless the school told you that your child is eligible for the new school year. When the carry-over period ends, unless you are notified that your children will receive free meals or you submit an application that is approved, the children must pay full price for school meals. The school is not required to send a reminder or a notice of expired eligibility.
8. I GET WIC. CAN MY CHILDREN GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced price meals. Please send in an application.
9. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced price meals.
10. WILL THE INFORMATION I GIVE BE CHECKED? Yes. We may also ask you to send written proof of the household income you report. You are not required to provide proof with your application.
11. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free or reduced price meals if the household income drops below the income limit, if your household size goes up, or if you start getting SNAP, FIP or other benefits.
12. WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION? You should talk to school officials. You also may ask for a hearing by calling or writing to: GCSD Food Service Office, 901 North Vine St. Glenwood IA 51534, 712-527-5029 or email: [foodservice@glenwoodschoools.org](mailto:foodservice@glenwoodschoools.org).
13. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
14. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.
15. WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, or receive Family Subsistence Supplemental Allowance payments, it must also be included as income. However if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. There are currently no active Military Housing Projects in Iowa as found on [Active Military Housing Projects](#). Any additional combat pay resulting from deployment is also excluded from income.
16. DO I NEED TO PROVIDE MY SOCIAL SECURITY NUMBER? Only the last four digits of the Social Security Number of the household's primary wage earner or another adult household member (or an indication of "none") is needed.
17. WHAT IF THERE ISN'T ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY? List any additional household members on a Supplemental Worksheet, and attach it to your application. Contact Glenwood Food Service Department, 901 N. Vine St., Glenwood Ia 51534 or call (712)527-5029 or email: [foodservice@glenwoodschoools.org](mailto:foodservice@glenwoodschoools.org) to receive a Supplemental Worksheet.

To find out how to apply for SNAP or other assistance benefits, contact your local assistance office or call **1-877-347-5678**. 20. CAN CHILDREN WITH DISABILITIES GET FOOD SUBSTITUTIONS? If a child has a disability, as determined by a licensed medical professional, and the disability prevents the child from eating the regular school meal, the school will make substitutions prescribed by the licensed medical professional. If a substitution is needed, there will be no extra charge for the meal. Please note, however, that the school is not required to make a substitution for a food allergy, unless it meets the definition of disability.

Households may be eligible for free or reduced price meal benefits one of four ways listed below.

- Households whose income is at or below the levels shown are eligible for reduced price meals or free meals, if they complete an Application for Free and Reduced Price School Meals/Milk. Households may complete one application listing all children and return it to your child's school. When completing an application, only the last four digits of the social security number of the household's primary wage earner or another adult household member is needed.
- Food Assistance households, children receiving benefits under the Family Investment Program (FIP) and children in a few specific Medicaid programs are eligible for free or reduced price meals. Most children from Food Assistance and FIP households will be qualified for free meals automatically. These households will receive a letter from their children's schools notifying them of their benefits. Households that receive a letter from the school need to do nothing more for their children to receive free meals. No further application is necessary. If any children were not listed on the notice of eligibility, the household should contact the school to have free meal benefits extended to them. Households must contact the school if they choose to decline meal benefits.
- Some Food Assistance and FIP households will receive a letter from the Department of Human Services (DHS) which will qualify the children listed on the letter for free meals. Parents must take this letter to the child's school to receive free meals.
- Food Assistance or FIP households receiving benefits that do not receive a letter from DHS must complete an application with the abbreviated information as indicated on the application and instructions, for their children to receive free meals. When the application lists an Assistance Program's case number for any household member, eligibility for free benefits is extended to all children in a household.

Eligibility from the previous year will continue within the same school for up to 30 operating days into the new school year. When the carry-over period ends, unless the household is notified that their children are directly certified or the household submits an application that is approved, the children must pay full price for school meals and the school will not send a reminder or a notice of expired eligibility. An application cannot be approved unless complete eligibility information is submitted. Applications may be submitted at any time during the year. If a family member becomes unemployed the family should contact the school to complete an application. Households notified of their children's eligibility must contact the school if the household chooses to decline the free meal benefits.

Foster children are eligible for free meal benefits. Some foster children will be qualified for free meals automatically through the State Direct Certification process. Their host family will receive notification of these benefits. Families that receive this notification from the school need to do nothing more for their foster children to receive free meals. If a family has foster children living with them and does not receive notification and wishes to apply for such meals, instructions for making application for such children are contained on the application form. A foster child may be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If the foster family is not eligible for free or reduced price meal benefits, it does not prevent a foster child from receiving benefits. Special Supplement Nutrition Program for Women, Infants, and Children (WIC) participants may be eligible for free or reduced price meals based on a completed application.

When known by the school, households will be notified of any child eligible for free meals if the children are enrolled in the Head Start/Even Start Program or are considered homeless, migrant or runaway. If any children are not listed on the notice of eligibility, contact the school for assistance in receiving benefits. If households are dissatisfied with the application approval done by the officials, they may make a formal appeal either orally or in writing to the school's designated hearing official. The Policy Statement on file at the school contains an outline of the hearing procedure. School officials may verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable State and Federal criminal statutes. Households should contact their local school for additional information.

There will be no discrimination against individuals with Limited English Proficiency (LEP) in the school meal programs.

**Nondiscrimination Statement: This explains what to do if you believe you have been treated unfairly.**

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

## HOW TO APPLY FOR FREE AND REDUCED PRICE SCHOOL MEALS/MILK

Please use these instructions to help you fill out the application for free or reduced price school meals/milk. You only need to submit **one** application per household, even if your children attend more than one school in Glenwood Community School District. Please follow these instructions in order. Each step of the instructions is the same as the steps on your application. The application must be filled out completely to certify your children for free or reduced price school meals. **Completed applications should be mailed or returned to any Glenwood School Office or mail to Food Service Office, 901 N. Vine St., Glenwood, IA 51534.**

If at any time you are not sure what to do next, please contact Food Service Office at 712-527-5029 or Email: [foodservice@glenwoodschoools.org](mailto:foodservice@glenwoodschoools.org).

PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.

### STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12.

Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household.

#### Who should I list here?

When filling out this section, please include **all** members in your household who are:

- Children age 18 or under **and** are supported with the household's income;
- In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth;
- Students attending **Glenwood Community School District**, regardless of age.

- A) List each child's name and date of birth.** Print each child's first name, middle initial, last name and date of birth (optional). Use one line of the application for each child. If there are more children present than lines on the application, attach a Supplemental Worksheet, which can be obtained from the school, with all required information for the additional children.
- B) Is the child a student?** Mark 'Yes' or 'No' under the column titled "student" to tell us which children attend Glenwood Community School District. If you marked 'Yes' write where the child attends school and write the grade level of the student in the "Grade" column to the right.
- C) Do you have any foster children?** If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are *ONLY* applying for foster children, after finishing STEP 1, go to "STEP 4". Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to step 3.
- D) Are any children homeless, migrant, or runaway?** If you believe any child listed in this section may meet this description, mark the "Homeless, Migrant, Runaway" box next to the child's name and **complete all steps of the application.**

### STEP 2: DO ANY HOUSEHOLD MEMBERS CURRENTLY PARTICIPATE IN FOOD ASSISTANCE, FIP, OR FDPIR?

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:

- The Food Assistance Program (FA)
- The Family Investment Program (FIP)
- The Food Distribution Program on Indian Reservations (FDPIR)

**A) IF NO ONE IN YOUR HOUSEHOLD PARTICIPATES IN ANY OF THE ABOVE LISTED PROGRAMS:**

- Circle 'NO' and go to STEP 3. (Leave the rest of STEP 2 blank)

**B) IF ANYONE IN YOUR HOUSEHOLD PARTICIPATES IN ANY OF THE ABOVE LISTED PROGRAMS:**

- Circle 'YES' and provide a case number for FA, FIP, or FDPIR. You only need to write **one** case number. If you participate in one of these programs and do not know your case number, it is located on your Notice of Decision. **You must provide a case number on your application if you circled "YES".**
- Go to STEP 4.

Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.

- Gross income is the total income received before taxes.
- Many people think of income as the amount they "take home" and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
- Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write '0' or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials have known or available information that your household income was reported incorrectly, your application will be investigated.
- Mark how often each type of income is received using the check boxes to the right of each field.

**STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS**

- A) Report all income earned or received by children.** Refer to the table below titled "Sources of Income for Children" and report the combined gross income for ALL children listed in Step 1 in your household in the box marked "Total Child Income." Only count foster children's income if you are applying for them with the rest of your household (income from a part-time job or from any funds provided to the child for the child's personal use). It is optional for the household to list foster children living with them as part of the household on an application for non-foster children.

**Table 1. Sources of Income for Children****What is Child Income?**

Child income is money received from outside your household that is paid **directly** to your children. Many households do not have any child income. Use the chart below to determine if your household has child income to report.

Sources of Child Income	Example(s)
<ul style="list-style-type: none"> <li>• Earnings from work</li> </ul>	<ul style="list-style-type: none"> <li>• A child has a regular full or part-time job where they earn a salary or wages. (Infrequent earnings, such as income from occasional babysitting or lawn mowing, are not counted as income.)</li> </ul>
<ul style="list-style-type: none"> <li>• Social Security               <ul style="list-style-type: none"> <li>◦ Disability Payments</li> <li>◦ Survivor's Benefits</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>• A child is blind or disabled and receives Social Security benefits.</li> <li>• A parent is disabled, retired, or deceased, and their child receives social security benefits.</li> </ul>
<ul style="list-style-type: none"> <li>• Income from person <i>outside</i> the household</li> </ul>	<ul style="list-style-type: none"> <li>• A friend or extended family member <i>regularly</i> gives a child spending money.</li> </ul>
<ul style="list-style-type: none"> <li>• Income from any other source</li> </ul>	<ul style="list-style-type: none"> <li>• A child receives regular income from a private pension fund, annuity, or trust.</li> </ul>

**FOR EACH ADULT HOUSEHOLD MEMBER:**

- B) List Adult Household member's name.** Print the name of each household member in the boxes marked "Name of Adult Household Members (First and Last)." **Do not list any household members you listed in STEP 1.**

**Who should I list here?**

When filling out this section, please include **all** adult members in your household who are:

- Living with you and share income and expenses, even if not related and even if they do not receive income of their own.

**Do not include:**

- People who live with you but are not supported by your household's income AND do not contribute income to your household.
- Children and students already listed in Step 1.

- C) Report earnings from work.** Refer to the chart below titled "Sources of Income for Adults" and report all income from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are self-employed business or farm owner, you will report your net income. If you need assistance with this, ask your children's school for the Supplemental Worksheet which has self-employment calculations.

**What if I am self-employed?**

If you are self-employed, report income from work as a **net** amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts and revenue. Ask your school for a Supplemental Worksheet to assist you in determining your monthly gross annual income before

- D) Report income from public assistance/child support/alimony.** Refer to the chart below titled "Sources of Income for Adults" and report all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. Do not report the value of any cash value public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.
- E) Report income from pensions/retirement/all other income.** Refer to Table 2 below titled "Sources of Income for Adults" and report all income that applies in the "Pensions/Retirement/All Other Income" field on the application.

**Table 2. Sources of Income for Adults**

<b>Earnings from Work</b>	<b>Public Assistance/ Alimony/Child Support</b>	<b>Pensions/Retirement/All Other Income</b>
<ul style="list-style-type: none"> <li>• Salary, wages, cash bonuses</li> <li>• <b>Net</b> income from self-employment (farm or business)</li> </ul> <p><b>If you are in the U.S. Military:</b></p> <ul style="list-style-type: none"> <li>• Basic pay and cash bonuses (do NOT include combat pay, FSSA or privatized housing allowances)</li> <li>• Allowances for off-base housing, food and clothing</li> </ul>	<ul style="list-style-type: none"> <li>• Unemployment benefits</li> <li>• Worker's compensation</li> <li>• Supplemental Security Income (SSI)</li> <li>• Cash assistance from State or local government</li> <li>• Alimony payments</li> <li>• Child support payments</li> <li>• Veteran's benefits</li> <li>• Strike benefits</li> </ul>	<ul style="list-style-type: none"> <li>• Social Security (including railroad retirement and black lung benefits)</li> <li>• Private Pensions or disability benefits</li> <li>• Regular Income from trusts or estates</li> <li>• Annuities</li> <li>• Investment Income</li> <li>• Earned interest</li> <li>• Rental income</li> <li>• Regular cash payments from outside household</li> </ul>

- F) Report total household size.** Enter the total number of household members in the field “Total Household Members (Children and Adults).” This number **MUST** be equal to the number of household members listed in STEP 1 and STEP 3. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced price meals.
- G) Provide the last four digits of your Social Security Number.** An adult household member must enter the last four digits of their Social Security Number in the space provided. **You are eligible to apply for benefits even if you do not have a Social Security Number.** If no adult household members have a Social security Number, leave this space blank and mark the box to the right labeled “Check if no SSN.”

#### STEP 4: CONTACT INFORMATION AND ADULT SIGNATURE

**All applications must be signed by an adult member of the household.** By signing the application, that household member is promising that all information has been truthfully and completely reported. **Before completing this section, please also make sure you have read the privacy and civil rights statements on the back of the application.**

- A) Provide your contact information.** Write your current address in the fields provided if this information is available. **If you have no permanent address, this does not make your children ineligible for free or reduced price school meals.** Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.
- B) Print and sign your name and write today’s date.** Print the name of the adult signing the application and that person signs in the box. “Signature of adult completing the form.”
- C) Mail or return completed form to: Food Service Office, 901 N. Vine St., Glenwood, IA 51534 or Deliver to any Glenwood School Office. Please do not mail completed form to the Department of Agriculture as this will delay processing.**
- D) Share children’s racial and ethnic identities (optional).** On the back of the application, we ask you to share information about your children’s race and ethnicity. This field is optional and does not affect your children’s eligibility for free or reduced price school meals. If you do not select race or ethnicity, one will be selected for you based on visual observation.
- E) Decline having your information released to *hawk-i*.** If you do not want your household information shared with *hawk-i*, print, sign and date in the box provided.
- F) Obtaining translated applications.** If you need a translated application with instructions, they can be found in 49 languages at: <https://www.fns.usda.gov/school-meals/translated-applications>.

Self-Employment Income Calculations

This guidance will assist you in calculating the amount to report if you engage in farming, are self-employed or have income from other sources. Self-employed persons may use income tax records for the preceding calendar year as a base to project the current year's net income, unless the current monthly income provides a more accurate measure. Report income derived from the business venture less operating costs incurred in the generation of that income. Deductions for personal expenses such as interest on home payments, medical expenses, and other similar non-business deductions are not allowed in reducing gross business income. Additional income from other kinds of employment must be treated as separate and apart from the income generated or lost from your business venture. For example, if you operated a business at a net loss, but held additional employment for which a salary was received, the income for purposes of applying for reduced price or free meals would be the income from the salary only. The loss from the business cannot be deducted from a positive income earned in other employment. For purposes of this application, it is not possible to report a negative income from any business venture. The least income possible is zero (no income). The necessary information for arriving at allowable income from private business operation may be taken from your most recent U.S. Individual Income Tax Return - Form 1040 or 1040-SR and Schedule 1. Enter the amounts reported on the following lines (for losses type a negative (-) in front of the dollar value:
